

Second grade supplies list:

Dear Parents,

For the beginning of the school year, we are in need of the following items. Some items will be for the whole class to use and some will be for the students only themselves and not to share.

If you purchased a supply box from 1st Day School Supplies, these items for the English & Spanish pouches are included in that box and will be sent to the school and ready for distribution before school starts!

****Please make sure you have a box or bag for English and a box or bag for Spanish. (The supply box includes the materials for both subject pouches)
