

5601 North 16th Street, Phoenix, AZ 85016 • (602) 664-7900 • madisonaz.org

Dear Parent(s)/ Guardian(s):

Madison School District's Native American Program is designed to address the educational and social needs of Native American students. We receive funding through the Title VI Indian Education and Johnson O'Malley grants to provide supplemental academic and enrichment activities that are culturally relevant for Native American students.

Madison reports the number of eligible Native American students to the Office of Indian Education in Washington D.C. and the Indian Education Office at the Arizona Department of Education to determine the district's eligibility for funding and funding calculations.

The number of students we report is based on the documents we receive regarding students, so it is import to complete and submit documents to ensure continued support services.

To determine if a student is eligible under Title VI and JOM grants, the following documents need to be completed and submitted:

- Title VI Ed Form 506 Indian Student Eligibility Certification Form
- JOM Student Enrollment/Certification of Eligibility (form 305)
- Copy of Certificate Degree of Indian Blood (CDIB)
 - **OR** Request form (final page) for a copy of CDIB from Tribal Enrollment office

Please submit the signed and completed documents to Amanda Robbins at Madison School District Office, 5601 N 16th Street, Phoenix, AZ 85016 or you may submit the forms to your child's school front office. Instructions on completing each form are provided.

If you have any questions please contact Native American Education Program Technician, Amanda Robbins at (602)- 664-7992 or email at arobbins@madisoned.org . Thank you for your continued support for Native American Programs at the Madison school District.

Sincerely Yours,

Amanda Robbins
Native American Education Program Technician
