Re: Cashless Meal Service

The Madison School District's Food Service Department would like to inform you of an important change to our food service program for the 2020-2021 school year.

In order to practice social distancing and to keep our students, parents and staff safe, we have made the decision to implement a cashless meal service. **We will no longer be accepting cash payments during the breakfast and lunch meal service.** Cash payments will only be accepted prior to the start of the school day. We would also like to encourage parents and staff to sign up or log in to the Titan Family Portal. There you can prepay for meals in advance, view account balances, view menus and apply for the Free and Reduced Meal Program. Please visit www.family.titank12.com.

We appreciate your patience and understanding. If you have any questions or need assistance, please contact the Food Service Department at 602-664-7919.

Sincerely,

Kristin Soulsby, MBA, RD, SNS
